Take your modern restaurant, cafe, or bistro to the next level with this Lancaster Table & Seating Alloy Series black metal indoor industrial cafe bar height stool with vertical slat back and walnut wood seat.

To ensure that your customers are free to enjoy your signature drinks, appetizers, entrees, and desserts, this industrial bar height stool features a supportive back and comfortable wooden seat that has been stained in walnut to enhance its natural wood grain appeal for a high-quality look. Wood lends a certain feel of permanence and quality, showing your customers that you care. The stool features a footrest to reduce pressure on your customers' legs and lower backs. It is also equipped with protective glides that help keep floor surfaces in pristine condition, making it an excellent choice for your indoor dining area.

Rust-Resistant

Made with a durable steel construction, the frame has received an e-coating to seal it against rust. This treatment was followed with a black powder coating to further enhance durability so you can rest assured that this supportive bar height barstool is sure to withstand years of use.

Sturdy Frame

The frame is reinforced with an additional under-seat cross bracing to provide strength and stability without adding extra bulk or weight to this sleek design. It is lightweight enough for easy movement and transportation so you can quickly reconfigure your dining space and easily clean up at the end of the night.

Assembly Required

When you bar height stool arrives, you'll need to assemble the back with the included screws and attach the wooden seat with the included hardware. To keep this stool looking clean, simply wipe it with a damp cloth and your preferred all-purpose cleaner.
